

The Basic Mounting Fixture is a simple yet effective way to work with your tool holders. The fixture is designed for mounting or simply holding in a vise. Additionally, in conjunction with a surface plate and height gauge, the mounting fixture can be used as an inexpensive alternative to a presetter.

Taper	L	D	G	A	Part Number
Steep Taper 30	74	52	M-8	36	540.110.830
